- MIXED USE BUILDING, EXTRA FLOOR (STP), SEPARATE HEATING SYSTEMS, NEW DOUBLE GLAZING, NOT OVERLOOKED, CLOSE TO UNDERGROUND & OVERGROUND

7-9 Ferdinand Street, London, NW1 8ES

Description

The building is located just 50 metres from Chalk Farm Road opposite The Stables Market and currently provides offices on the first, second & third floors with a ground floor shop, showroom, office, medical or other E Class Uses extending in total to 3,300 sq ft. The ground floor has a window frontage of 17'6" and an electric roller shutter. The offices provide very efficient accommodation with a large open plan room at the front and two rooms at the rear. Each floor is self contained and would have been a self contained flat at some point in the past. A third floor is accessed via an internal staircase from the second floor. There are 5 large windows across the frontage so natural light is very good and the property is not directly overlooked at the front or rear. All the floors have been recently refurbished.

Location

Ferdinand Street is located in the heart of Chalk Farm which is undergoing a major regeneration with the development of Camden Goods Yard, Verdica, a 400 unit Student development+ Commercial, the Development surrounding Chalk Farm Station & the Redevelopment of the temporary Morrisons Store into retail with offices above. The Stables Market adds to the vibrant mix of cafes, restaurants, pubs & bars while the Round House adds a cultural fix. Ferdinand is a main route between Camden & South End Green/Hampstead Heath and is just 4-5 minutes walk from Chalk Farm Station and 5-6 from Kentish Town West Overground which provides great access East & West to Shoreditch, Dalston, Stratford and Richmond
